Mariner Volume 71  
Marine City High School  
1085 Ward Street  
Marine City, MI 48039

We, the yearbook staff of 1991, hope that through this yearbook a glimpse of Mariner life will be captured. Marine City High School is a school of spirit and pride, where a combination of hard work and dedication form a place where learning and understanding come together harmoniously to create the song of the future.

Marine City-Ward Cottrell High School was built in 1961 by Reb Constuction. This year a new math wing was added by Card Constuction, making the school a total of 120,000 square feet.

This school year brought about many changes. Not only was the school expanded, but its extra-curricular activities were, too. The

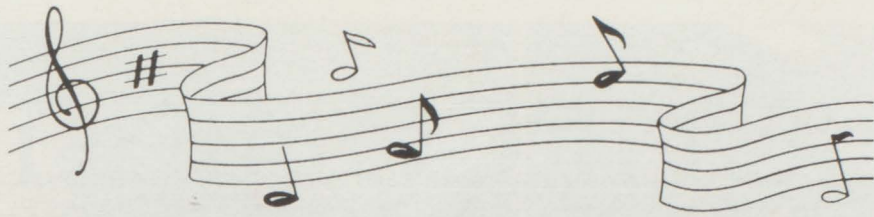

homecoming festivities were added to and made a full week. The Golf team was also reinstated this year and they put forth a good effort.

Besides new activites, new faces filled the halls. The most obvious of these was our new principal, Mr. Miller. Mrs. Phillips joined the office staff. In the classroom, Mrs. Kubbes brought her new spark.

Time moves on, and changes come about, but memories last a lifetime. Through this yearbook we hope to have captured some of this year's greatest hits.

## The Powder Puff Game and Bonfire

Homecoming week consisted of many events. One of the most memorable events is the Powder Puff Football Game and Bonfire. This year it was held on Wednesday Oct 3rd. The fun began at 6:00, when the juniors and senior girls played for the title of Powder Puff Champions '90. Those who played were seniors; Tami Brooks, Heather Burgess, Maggie Koza, Diane LaForest, Brenda Nortley, Susan Pondo, Angie Romano, Amy Scharnweber, Kathy Schnepf, Kelly Stockwell, and Meliessa White. Juniors; Christina Bolte, Shelly Davenport, Melanie Faucher, Sarah Foster, Patti Galvin, Amy Gorde, Estelle Guidoni, Michelle Heck, Stephanie Hoover, Robyn Humes, Stacey Justa, Jill Kowalski, Stephanie Leonard, Michelle Osterland, Sarah Osterland, Robbyn Prange, Gina Pollock, Nicholette Sebastian, Kelly Sharrow, Liz Styk, Danielle Williams, and Melissa Wuchte. The game was close, but the seniors came out on top with a 22 to 18 victory over the juniors. Those who scored touchdowns, were seniors; Kathy Schnepf, Heather Burgess and Tami Brooks. Juniors; Gina Pollock, and Gretchen Warken-tien with two. Amy Scharnweber also intercepted a junior pass. As you can see the girls had alot of fun and made the Powder Puff game something to remember.

The Bonfire, was a huge success, and everyone had a good time.

## Homecoming Parade

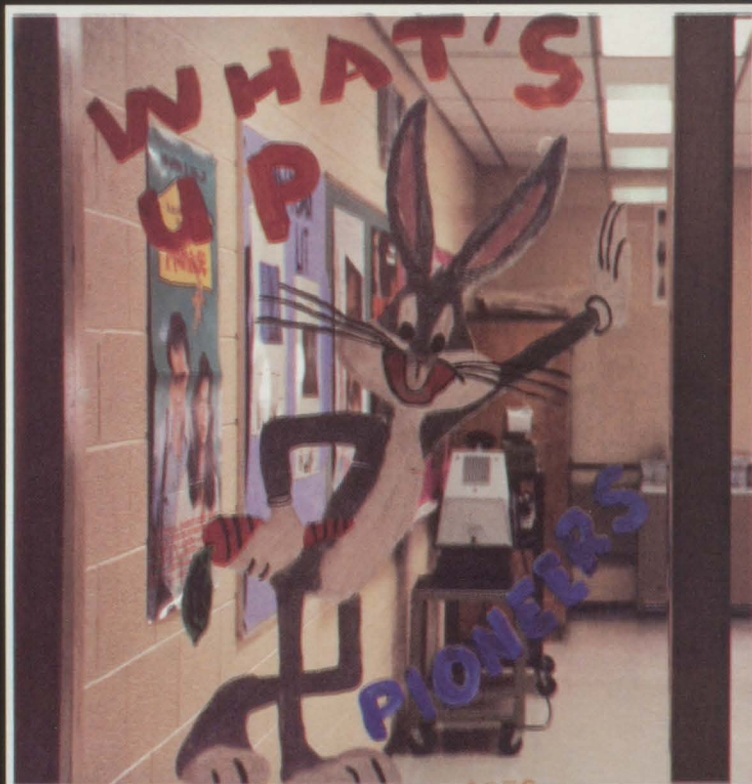

The parade was another event held in favor of Homecoming. It took place at 5:00 pm Friday Oct 5. It had floats from each class, the Homecoming court, sport teams, student government, and school clubs. Many people came to see the new event which made Homecoming even more special.

This year's spirit week was composed of many extra-curricular activities. Toga day for the seniors, window painting, college day, and orange and black day were all of the sorts.

Each class had also competed in a float competition which had been won by the Junior class who presented Chilly Willy, and following the Junior class, were the Seniors.

BOUTONNIERES!  
CORSAGES!  
RESERVATIONS!  
TRANSPORTATION!

Homecoming this year was a great turnout that consisted of 9th through 12th graders. 350 sharply dressed people crowded the MCHS gym, ready to get lost in the magic of the night. For some, the evening was their second or third homecoming. For others, it was their first, and by far, a memory forever engraved in their minds.

# HOMECOMING COURT

There are many festivities that take place at MCHS during homecoming week. However, one of the most exciting of these events is the selection of the homecoming king, queen, and their court.

Attendants chosen to represent their class on the homecoming court are announced a few weeks before the dance. This announcement is the beginning of their reign on the 1990-1991 Homecoming Court. They have the honor of making the traditional walk up to the stage at the pep assembly. But all good things come to an end and this is true as the court makes their final appearance at the homecoming game.

These students stand proud because they were chosen by their fellow classmates to represent their class. It is one of the many things that will be a part of their memory at MCHS. A memory that will last forever!

**PREVENT TEENAGE  
DRINKING PROBLEMS**

This years S.A.D.D. students are:

Steve Hunt, Christina Blaire, Steven Maye, Melanie Faucher, Megan Conley, Liz Styk, Caydee Wallace, Jamie Duetsch, Dan Trudeau, Stephanie Bielec, Diane LaMay, Lynn Upleger, Joe Domoff, Alecia Owens, Ian Hamet, Melissa Mynes, Matt Roush, Jeff Becker, Vince Potvin, Holly McNiff, Clifton Burgett, Renee Weglarz, Phil Brown, Sue Johns, Angela Kaatz, Heather Burgess, Kim Bramlett, Stephanie Redfield, Dan Coverdill, Amy Gorde, Jeff Gohl, Brandy Dandron, Angela Doss, Colleen Wood, Heather Burgess, Jill Cvengros, Melissa Wuchte, Jill Kowalski, Theresa Horn, Lisa Copp, Dayle Achatz, Theresa Bommarito, Alison Forest.

Above right: a S.A.D.D. member on White Out Day does a sweet but "deadly" pose for the camera.

Despite peer pressure and parties, many students find that they have alot of resistance against drinking. Whenever you think about driving drunk, please think about it twice. It could be the difference between life and death. Stay alive . . . don't drive!!!

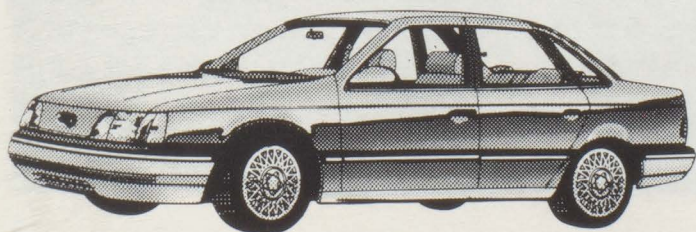

Throughout our lives, we will lose one of our friends to an alcohol related accident. Memories are unable to be erased. The simple prevention:  
**DON'T DRINK AND DRIVE!!!**

This year's S.A.D.D. program pushed the issue even harder than the year before. Close to 40 people recognized the importance of saving lives and becoming involved with the school and community.

Some of the activities that the group planned were the "TIE ONE ON" campaign. This simply enabled the community to put a red ribbon on their car to symbolize that they would not drink and drive during the holiday season. Another program was "WHITE OUT DAY" where some chosen students acted out a fictional death from the cause of driving drunk. The main point was to stress that drinking and driving offers many serious consequences (PREVENTABLE CONSEQUENCES AT THAT!!!!). In addition to the many events, S.A.D.D. also traveled around to area meetings.

All in all, this year's S.A.D.D. chapter proved that there are decisions to be made, things to do, and the future to look forward to.

**REMEMBER . . . THINK BEFORE YOU DRINK!!!**

# ON BROADWAY

Forensics is a speech, and drama competition. It is divided into two categories: Public Speaking, and Interpretation. Those students who enjoy Public Speaking can participate in the sales, Informative, Oratory (persuasive), Extemporaneous, Impromptu, or Broadcasting categories.

Student actors may wish to participate in Multiple Duo, Dramatic, Poetry, or Storytelling competition (very strict rules make this unlike a play).

The season begins in February and ends with the Mackinaw Island Journey in May. We also travel to other schools such as Troy Stevenson, Frankenmuth, and Plymouth.

The National Honor Society was founded in 1921 to recognize and encourage academic achievement, leadership, and character. Members of the National Honor Society must have a grade point average of 3.3, which is checked quarterly, extracurricular activities, and a teacher majority vote.

Marine City's National Honor Society is very active in the community. At Thanksgiving they held a food drive to provide local families with a Thanksgiving dinner. The NHS also collected books and money at Christmas to give to needy children. This year's National Honor Society consisted of twenty members. It was lead by President Jenny Sebastain, Vice-President John Meganck, and Secretary Alison Kowalski. Mrs. Drews is the National Honor Society's faculty sponsor and she worked very hard to keep everything running smoothly. The National Honor Society is an important part of building our future leaders.

# EVERYBODY WANTS TO RULE THE WORLD STUDENT GOVERNMENT

The Student Government is an honor to be a part of. The members are selected by their peers to represent the school for that year. Along with doing this, the members learn to work together to make decisions that will effect the school. This gives the group a start at a real system of government. The candidates are required to do a number of things for their campaign. Such things include making a speech to the school, and various promotions of their qualities. Included with their duties, they organize two blood drives in the year, and make donations to certain organizations. The officers for the 1990-91 school year are: President, Tony Markel; Vice-President, Eric Walker; Secretary, Chelle DeSnyder; Parliamentarian, John Meganck.

# LIVIN' IN AMERICA

## FROM ACROSS THE OCEAN COME THREE STUDENTS TO MCHS

This year Marine City High School was visited by three foreign exchange students: Christina Bolte from Germany, Estelle Guiderdoni from France, and Maria Romero from Spain.

The girls all found Marine City a pleasant place to stay. Estelle was housed with Melissa Wuchte, Christina with the Seiberts, and Maria stayed with Erika Gardiner. They got along well with everyone, and were welcomed by the students at MCHS.

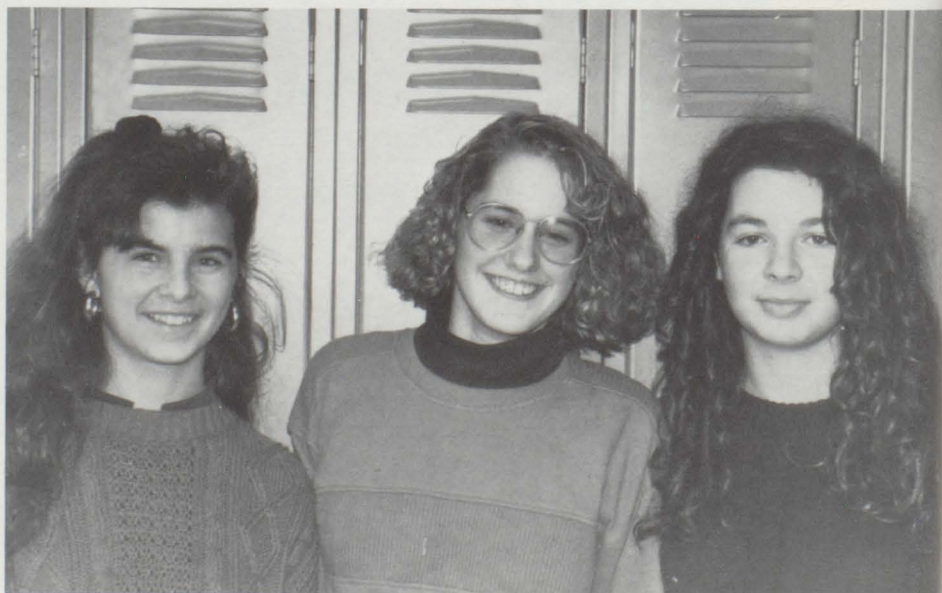

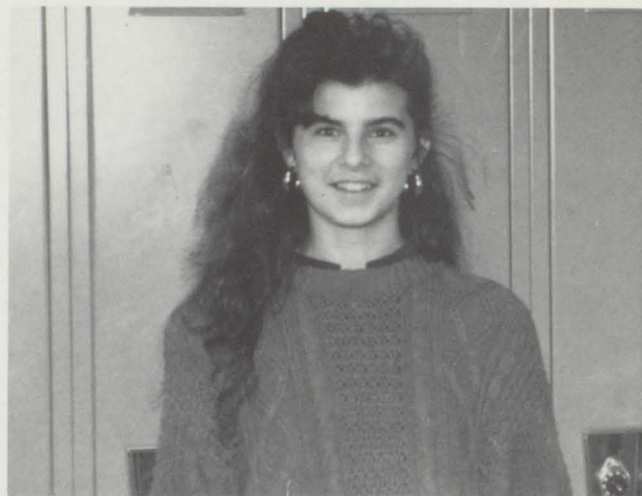

As far as academic pursuits, they find American classes 'interesting'. All three found History a terrible bore and Mathematics much easier than their own countries. For the most part, they found American classes a lot less difficult than back home.

American culture was something else. Maria and Christina found U.S. eating good enough — junk food was a popular snack. Estelle shrank from our food and said she much prefers home cooking. She also remarked that the clothing in America was similar to what was 'in' back home. Maria found dressing here different but put up with it 'to fit in'.

All three girls contribute to Marine City sports. Estelle is on the swim team, Christina joined the volleyball team, and Maria enjoyed baseball.

The foreign exchange program was a smashing success this year and we can hope to welcome more new students in years to come.

## Skill Center

Skill Center is the place to be! If getting out of three hours of class doesn't convince you, then how about; it's the best way to get a head start on a future job. It's not all just fun and games, you have to put lots of time and thought into the three hours you are there (minus the 15 minute break). Skill Center is like the real thing, for you learn most of the skills that you would as if you were at the actual job. You don't have to take Skill Center just during school, either. You can take it even after you graduate.

Good job and keep that Mariner Music playing!!!

## Mariner Log

The Mariner Log enjoyed another successful year at our school. They underwent a vote to change the newspaper's name at the beginning of the year, but the school liked the Mariner Log and the name remained the same. Their papers sold for a quarter a piece and many students found an extra 25¢ to stop and read about what was going on in their school. Covering the school's sports, activities, and social hum, the paper was a reliable source of all sorts of information for students at Marine City High School this year.

## Yearbook Staff

The 1990-91 yearbook staff worked hard to create an interesting and memorable yearbook for the students of Marine City High School.

The staff members are as follows: Amy Gorde, Editor; Sarah Osterland, Section Editor; Sue Johns, Business Editor; Sarah Foster, Business Assitant; Joe Knowles, Photography Editor; Kevin Westrick and Dayle Achatz, Photographers; Stacey Justa, Computer Layout Editor. Tom Flammer, Erin Carrier, Gary Richardson, Stephanie Hoover, Kim McKay, and Theresa Horn operate as the rest of the hardworking staff. This year's staff's advisor was Mr. Bladow.

Layouts were completed and checked, and deadlines were met so that you, the students, could have concrete memories to keep and to share forever.

## VARSITY SOFTBALL

The 1990 Varsity Softball team had in a word an "incredible" season. With an overall record of 13 wins and 8 losses, they did not win the always competitive league championship, but still managed to win the State Championship at the end of their season.

Although the team was young, six sophmores, three juniors, and three seniors, they had the motivation and the dedication to work together as a team. One large reason for the Mariners success was the defense that the team provided. Lead by the strong pitching of Senior Beth Osterland, other teams had little hope of errors, if they could hit the ball. The team also had a good offense too. The players could hit the ball in a time of need, and always make something happen.

# WE ARE THE CHAMPIONS

## STATE CHAMPIONS

In the first few weeks of practice for the 1990 Varsity Softball team, the coaches knew that there were some possibilities. Although the season wasn't as "perfect" as it could have been, the team managed to capture the Class B State Championship.

It started at the District Tournament in Oxford. Here they defeated Imlay City and Oxford. After capturing the district title, they battled for the Regional, hosted here at Marine City. In these victorious games they clashed with Madison and also Montrose. With this, they were to go to the state tournament.

So on June 14 the team set off for Battle Creek. The next day they faced Essexville Garber in the semi-final matchup. The next day they were to play in the finals. In this seventh-inning decision, the Mariners defeated Hudsonville Unity Christian. This just goes to show how far a "possibility" can go.

## J.V. SOFTBALL

The 1990 J.V. Softball team got off to a slow start. With a 6-6 record, they did not manage a recognizable name in the league, but still promised for the future. The slow start and ups and downs in the season were made up for by practicing hard in between games. The team work had payed off by the end of the season, and the improvement was obvious. Unfortunately their competetors also improved. Members of the team were: Melanie Faucher, Lesley Frye, Patty Galvin, Erika Gardiner, Kristen Horvath, Stacey, Diana Koza, Melissa Moore, Cheri Paquette, Robbyn Prange, Sheryl Stevens, Heather York, and Jamey Zimmer.

Golf. A sport of the true American. An activity with enough prestige that Presidents practice in the Oval Office and will take vacations to play. After a year of non-existence at Marine City High School, the golf team has been re-enstalled into the athletic program. Although it was not completely recognized by the school, it began to gain popularity as the season pressed on. Lead by the captains, Dan Oulette and Brian Smith, the team learned that winning wasn't the basis of fun and sportsmanship and the memories of these times will last a lifetime. The team seemed to learn and improve over the season, unfortunately so did their competition. Although it wasn't a "winning season" the team earned the schools interested, and a permanent position as a sport.

## Varsity Cheerleaders

"Best team in many years," replied Coach Burmann. This year's Varsity Cheerleaders were hard working, creative, and especially supportive. They weren't only responsible for football and basketball, but also gave support to all girls athletics, wrestlers, swimmers, band, and quiz bowl. They work as a team, not as individuals which helped them entertain the school during pep assemblies.

Team captains were Candi Nannini and Jinjer Osterland who tackled many responsibilities.

## FRESHMAN CHEERLEADING

Freshman Cheerleading this year boosted to miraculous heights. They were off to a slow start but in the end, the ones who were made to work pulled hard and kept their minds together to produce a super squad. The freshman team this year was also quite fortunate to produce such a great group because all around the area freshman cheerleading isn't really in existence any more (there are only about three area squads left!). All and all the whole group pulled together to prove their love for their favorite school and tough team. Thanks a lot freshman girls.

## Marine City Tennis Team

This year's tennis team had a good year. Hard work, good coaching by Mr. Chamberlain, and team spirit launched the Varsity team into a final record of 10 wins and 4 losses. They finished second in the league and topped off a fine season by winning the Yale Invitational. Good job, team!

Team players included: Scot Acre, Michelle Cataldi, Eric Corbat, Jill Cvengros, Alex Delia, Joe Dornoff, Amy Dudzinski, Mike Furtah, Bob Galvin, Mike Gardner, Sergio Grijalva, Matt Hermansen, Carl Holmblad, Steve Hunt, Angela Kaatz, Jeff Kelly, Andy Konik, Andy Kups, John Lenore, John Meganck, Heath Osterbeck, Vince Potvin, Greg Prais, Keith Putnam, Craig Radomski, Tricia Ralston, Kevin Regan, Kerri Rickert, Tom Ruttan, Jim Schuster, Nicolette Sebastian, Tom Ticknor, Brad Waid, Eric Walker, and Kevin Warner.

Hopefully, next year's team will be as good (or even better!).

# In Remembrance of Harry M. Wernert

Harry M. Wernert  
(1972-1990)

## Harry

From all of us to all of you,  
We want you to know we are grieving, too.

Such a kind, gentle, and sweet person;  
there is much more to say,  
But right at this moment words are floating  
away.

Tears stream down our face —  
As we realize Harry is in a special place.

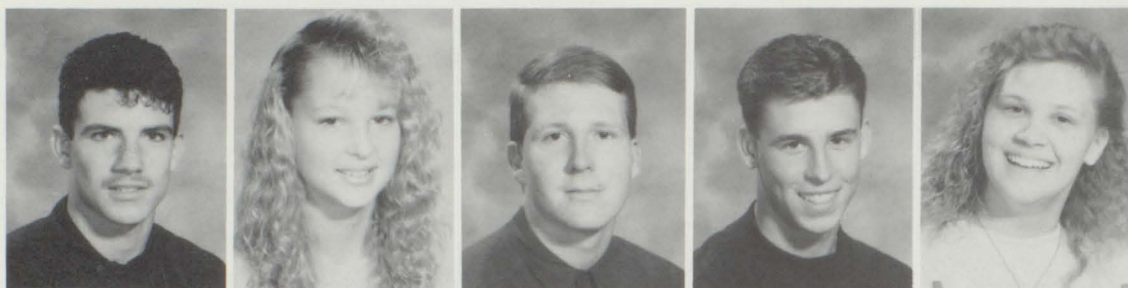

Our hearts go out, we really care,  
What happened just is not fair.

To MCHS Harry Mitchell Wernert still lives  
on in all our minds.  
It will not be the same, even through the  
change of time.

High School is just about over for the 1992 class. But they will take many memories with them from their junior year. Such as winning Homecoming Week with the brilliant float "Chilly Willy." Rock-A-Thon will always stay with them, who could forget rocking for ten hours. Then came putting on Prom, and making all those decisions. All these memories will stay with them for the rest of their lives.

# STAND

This years Junior Class Officers were Stephanie Leonard, President; Sarah Osterland, Vice-President; Stacey Justa, Treasurer; and Amy Gorde, Secretary.

All the officers work very hard along side the new class advisors Mrs. Crimando and Ms. Masar to bring out the Spirit of the Junior Class.

This year the Juniors proved that they can really come through when it counts by finishing first during the homecoming pep assembly, winning the float contest, and showing great support for Junior fundraisers such as the Powderpuff Football game and the Rock-A-Thon. The Junior Officers also organize the Senior Prom and will prove that the Junior Class has the spirit to give a prom like no other.

Being on the yearbook staff helped me develop some of my weaknesses like responsibility and missed deadlines. At the end of the year I'll be ready to take on any job the real world offers, thanks to all the experiences I've learned in this class. Problems we've met in this year's yearbook were having a new publishing company, getting bad photos back, meeting our deadlines and setting the budget. But it's not all just frustration and hard work. We have our fun days, also! The fun personalities of the other students and Mr. Bladow made hard work seem easier. This class is one I'll always remember. This is the best yearbook I've ever seen and we are all proud of it.

## A LITTLE HELP FROM MY FRIENDS

Every year the graduation class has a few people who stand out among them. Through their years at Marine City High School they have developed their own special talents.

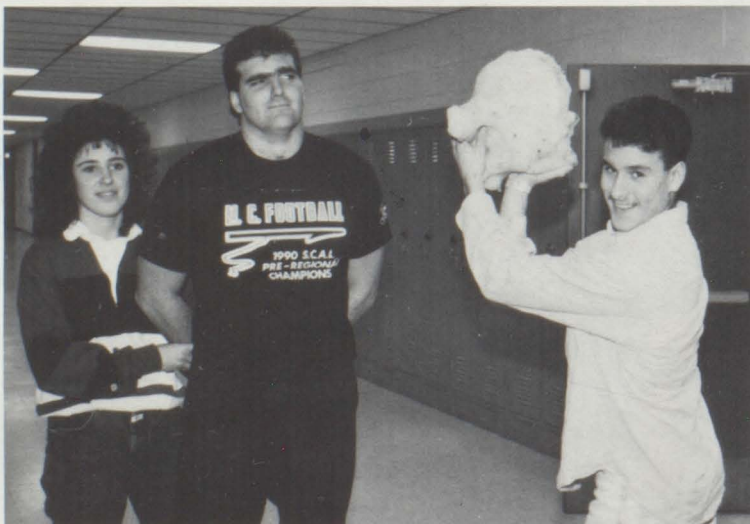

As time goes on we look back at the memories, and how each of us was affected. We have gotten closer over the years and now we are like one big family. We stick together through the good times and bad, and we've counted on each other for support. This election gives us a chance to remember those who made our class so unique and unforgettable.

## Custodians

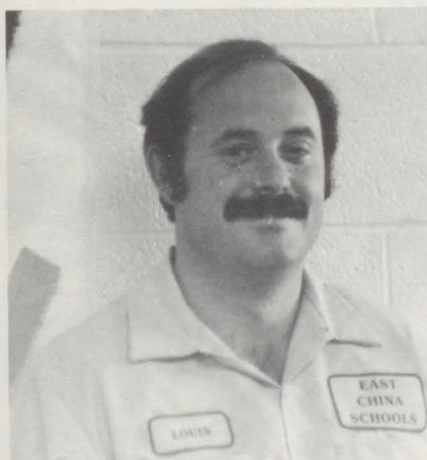

The custodial staff at Marine City High School works hard to keep the school in clean, running order. It is often taken for granted that the school will just stay clean, but the custodians make sure it does. They work hard day and night caring for the school, getting it in order and allowing it to be a good place to learn.

## Current Events

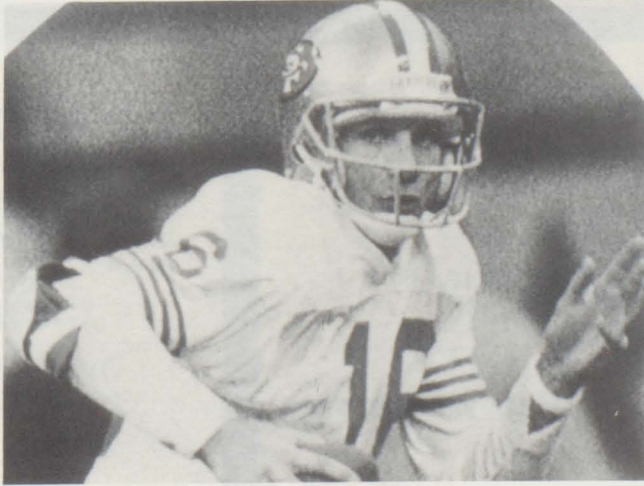

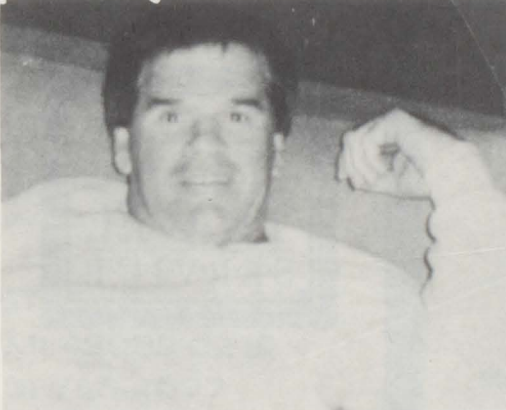

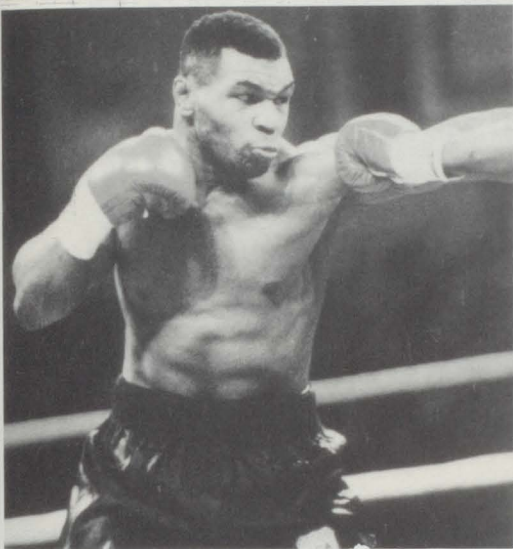

At 7:00 P.M. or 3:00 A.M. Iraq time, Jan. 26 or Jan. 27 Iraq time.

The United States engaged in an attack against Iraq, after many months of turmoil. At 9:01 P.M. the President of the United States spoke to our nation and verbally declared a declaration of war.

We can only hope for the best and that the war doesn't last very long.

Mr. Miller, Principal

This year was a year of many changes around the school. The most obvious of these was our new principal, Mr. Miller. Mr. Miller was originally from Imlay City, Michigan. He moved here to Marine City after spending 15 years in the Rochester School District.

Mr. Miller enjoys being a principal because it gives him an opportunity to continue to work with students while having a higher impact on the quality of the learning institution. Mr. Miller hopes to bring into Marine City a sense of participation in governing between the students and the faculty. He also hopes to ensure that all students leave Marine City prepared for the ever changing world.

Mr. Miller wants everyone to know that even though he is serious about education, he hopes to have many good times in his career here at Marine City.

Music. It says a lot about a person's personality. Today's music is hard to figure out. There are so many different varieties that it's hard to stick with one main group. Some groups of music are:

1. RAP
2. PUNK/NEW WAVE
3. COUNTRY
4. REGGAE
5. CLASSICAL
6. METAL
7. JAZZ
8. ROCK
9. OLDIES BUT GOODIES

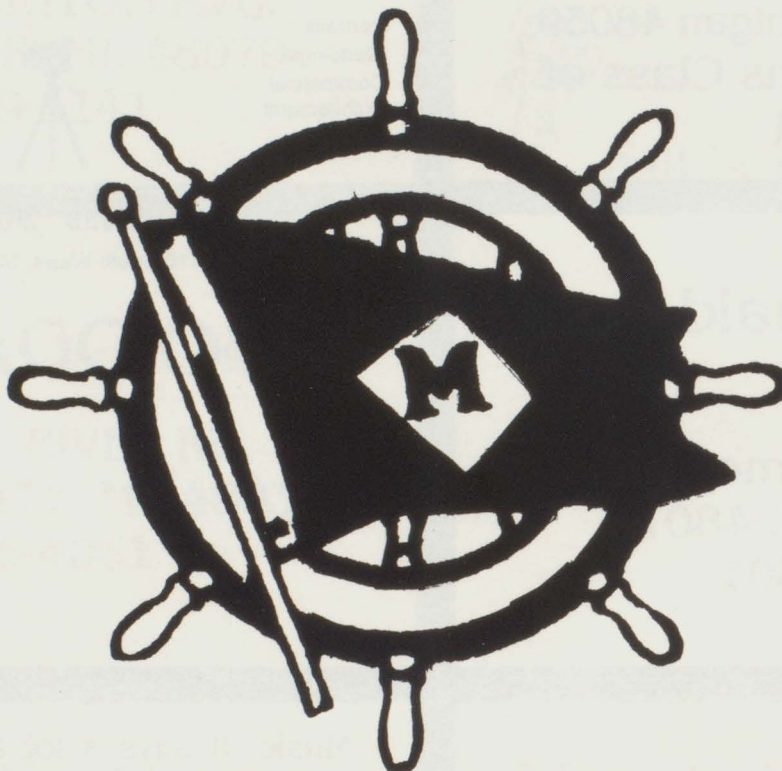

Whatever music you choose to listen to is your own choice. But, beware!!! As soon as you get hooked onto something, you can be sure that a new and exciting type will come along to just confuse you even more!!!

Today is the day to say  
Goodbye to you.  
A day to wish  
All your dreams come true.

A day for giving  
All you've got to give.  
The first day of the rest of your life,  
And for as long as you shall live.

A day to show you  
How much I care.  
And to let you know  
I'll always be there.

A day you go out  
To make a new start.  
A day to make promises  
From the bottom of your heart.

As you go out into the world,  
I'll be thinking of you  
And wishing you luck  
In all that you do.

Holding that special  
Place in my heart,  
Knowing that our friendship  
Will never grow apart.

Take care of yourself.  
Guide yourself right.  
May your destination lead you  
To your goals or your height.

I'll miss you now  
More than ever.  
Just remember we're friends,  
Friends forever!
